

are being requested on the day such livestock died due to an eligible adverse weather or eligible loss condition. For all other purposes of loss under ELAP, “livestock owner” means one having legal ownership of the livestock for which benefits are being requested during the 60 days prior to the beginning date of the eligible adverse weather or eligible loss condition.

*Nanny* means a female goat.

*Non-adult beef cattle* means a beef breed bovine animal that does not meet the definition of adult beef cow or bull. Non-adult beef cattle are further delineated by weight categories of either less than 400 pounds or 400 pounds or more at the time they died. For a loss other than death, means a bovine animal less than 2 years old that weighed 500 pounds or more on or before the beginning date of the eligible adverse weather or eligible loss condition.

*Non-adult buffalo or beefalo* means an animal of those breeds that does not meet the definition of adult buffalo or beefalo cow or bull. Non-adult buffalo or beefalo are further delineated by weight categories of either less than 400 pounds or 400 pounds or more at the time of death. For a loss other than death, means an animal of those breeds that is less than 2 years old that weighed 500 pounds or more on or before the beginning date of the eligible adverse weather or eligible loss condition.

*Non-adult dairy cattle* means a bovine dairy breed animal used for the purpose of providing milk for human consumption that does not meet the definition of adult dairy cow or bull. Non-adult dairy cattle are further delineated by weight categories of either less than 400 pounds or 400 pounds or more at the time they died. For a loss other than death, means a bovine dairy breed animal used for the purpose of providing milk for human consumption that is less than 2 years old that weighed 500 pounds or more on or before the beginning date of the eligible adverse weather or eligible loss condition.

*Normal grazing period*, with respect to a county, means the normal grazing period during the calendar year with respect to each specific type of grazing land or pastureland in the county.

*Normal mortality* means the numerical amount, computed by a percentage, as established for the area by the FSA State Committee, of expected livestock deaths, by category, that normally occur during a calendar year for a producer.

*Poultry* means domesticated chickens, turkeys, ducks, and geese. Poultry are further delineated into categories by sex, age, and purpose of production as determined by FSA.

*Ram* means a male sheep.

*Secretary* means the Secretary of Agriculture or a designee of the Secretary.

*Sheep* means a domesticated, ruminant mammal of the genus *Ovis*. Sheep are further defined by sex (rams and ewes) and age (lambs) for purposes of dividing into categories for loss calculations.

*State committee, State office, county committee, or county office* means the respective FSA committee or office.

*Swine* means a domesticated omnivorous pig, hog, or boar. Swine for purposes of dividing into categories for loss calculations are further delineated into categories by sex and weight as determined by FSA.

*United States* means all 50 States of the United States, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, and the District of Columbia.

**§ 760.203 Eligible losses, adverse weather, and other loss conditions.**

(a) An eligible loss covered under this subpart is a loss that an eligible producer or contract grower of livestock, honeybees, or farm-raised fish incurs due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, (including, but not limited to, blizzards and wildfires).

(b) A loss covered under LFP, LIP, or SURE is not eligible for ELAP.

(c) To be eligible, the loss must have occurred:

(1) During the calendar year for which payment is being requested and

(2) On or after January 1, 2008, and before October 1, 2011.

(d) For a livestock feed loss to be considered an eligible loss, the livestock feed loss must be one of the following:

(1) Loss of purchased forage or feedstuffs that was intended for use as feed for the participant's eligible livestock that was physically located in the county where the eligible adverse weather or eligible loss condition occurred on the beginning date of the eligible adverse weather or eligible loss condition. The loss must be due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, including, but not limited to, blizzard, flood, hurricane, tidal surge, tornado, volcanic eruption, wildfire on non-Federal land, or lightning;

(2) Loss of mechanically harvested forage or feedstuffs intended for use as feed for the participant's eligible livestock that was physically located in the county where the eligible adverse weather or eligible loss condition occurred on the beginning date of the eligible adverse weather or eligible loss condition. The loss must have occurred after harvest due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, including, but not limited to, blizzard, flood, hurricane, tidal surge, tornado, volcanic eruption, wildfire on non-Federal land, or lightning;

(3) A loss resulting from the additional cost incurred for providing or transporting livestock feed to eligible livestock due to an eligible adverse weather or eligible loss condition as determined by the Deputy Administrator, including, but not limited to, costs associated with equipment rental fees for hay lifts and snow removal. The additional costs incurred must have been incurred for losses suffered in the county where the eligible adverse weather or eligible loss condition occurred;

(4) A loss resulting from the additional cost of purchasing additional livestock feed, above normal quantities, required to maintain the eligible livestock during an eligible adverse weather or eligible loss condition, until additional livestock feed becomes available, as determined by the Deputy Administrator. To be eligible, the additional feed purchased above normal

quantities must be feed that is fed to maintain livestock in the county where the eligible adverse weather or eligible loss condition occurred.

(e) For a grazing loss to be considered eligible, the grazing loss must have been incurred on eligible grazing lands physically located in the county where the eligible adverse weather or eligible loss condition occurred. The grazing loss must be due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, including, but not limited to, flood, freeze, hurricane, hail, tidal surge, volcanic eruption, and wildfire on non-Federal land. The grazing loss will not be eligible if it is due to an adverse weather condition covered by LFP as specified in subpart D, such as drought or wildfire on federally managed land where the producer is prohibited by the Federal agency from grazing the normally permitted livestock on the managed rangeland due to a fire.

(f) For a loss due to livestock death to be considered eligible, the livestock death must have occurred in the county where the eligible loss condition occurred. The livestock death must be due to an eligible loss condition determined as eligible by the Deputy Administrator and not related to an eligible adverse weather event as specified in Subpart E for LIP.

(g) For honeybee or farm-raised fish feed losses to be considered eligible, the honeybee or farm-raised fish feed producer must have incurred the loss in the county where the eligible adverse weather or eligible loss condition occurred. The honeybee or farm-raised fish feed losses must be for feed that was intended as feed for the honeybees or farm-raised fish that was damaged or destroyed due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, including, but not limited to, earthquake, excessive wind, flood, hurricane, tidal surge, tornado, volcanic eruption, and wildfire.

(h) For honeybee colony or honeybee hive losses to be considered eligible, the honeybee colony or honeybee hive producer must have incurred the loss in the county where the eligible adverse weather or eligible loss condition

occurred. The honeybee colony or honeybee hive losses must be due to an eligible adverse weather or eligible loss condition, as determined by the Deputy Administrator, including, but not limited to, earthquake, excessive wind, flood, hurricane, tornado, volcanic eruption, and wildfire. To be eligible for a loss of honeybees due to colony collapse disorder, the eligible honeybee producer must provide documentation to support that the loss was due to colony collapse disorder. Acceptable documentation includes, but is not limited to, a colony collapse certification by a registered entomologist, Cooperative Extension specialist, or Land Grant University.

(1) For a death loss for bait fish or game fish to be considered eligible, the producer must have incurred the loss in the county where the eligible adverse weather or eligible loss condition occurred. The bait fish or game fish death must be due to an eligible adverse weather or eligible loss condition as determined by the Deputy Administrator including, but not limited to, an earthquake, flood, hurricane, tidal surge, tornado, and volcanic eruption.

**§ 760.204 Eligible livestock, honeybees, and farm-raised fish.**

(a) To be considered eligible livestock for livestock feed losses and grazing losses, livestock must meet all the following conditions:

(1) Be alpacas, adult or non-adult dairy cattle, adult or non-adult beef cattle, adult or non-adult buffalo, adult or non-adult beefalo, deer, elk, emus, equine, goats, llamas, poultry, reindeer, sheep, or swine;

(2) Be livestock that would normally have been grazing the eligible grazing land or pastureland during the normal grazing period for the specific type of grazing land or pastureland for the county;

(3) Be livestock that is owned, cash-leased, purchased, under contract for purchase, or been raised by a contract grower or an eligible livestock producer, during the 60 days prior to the beginning date of the eligible adverse weather or eligible loss condition;

(4) Be livestock that has been maintained for commercial use as part of the producer's farming operation on

the beginning date of the eligible adverse weather or eligible loss condition;

(5) Be livestock that has not been produced and maintained for reasons other than commercial use as part of a farming operation; and

(6) Be livestock that was not in a feedlot, on the beginning date of the eligible adverse weather or eligible loss condition, as a part of the normal business operation of the producer, as determined by the Deputy Administrator.

(b) The eligible livestock types for feed losses and grazing losses are:

(1) Adult beef cows or bulls,

(2) Adult buffalo or beefalo cows or bulls,

(3) Adult dairy cows or bulls,

(4) Alpacas,

(5) Deer,

(6) Elk,

(12) Non-adult buffalo or beefalo,

(13) Non-adult dairy cattle,

(14) Poultry,

(15) Reindeer,

(16) Sheep, and

(17) Swine;

(c) Ineligible livestock for feed losses and grazing losses include, but are not limited to:

(1) Livestock that were or would have been in a feedlot, on the beginning date of the eligible adverse weather or eligible loss condition, as a part of the normal business operation of the producer, as determined by FSA;

(2) Yaks;

(3) Ostriches;

(4) All beef and dairy cattle, and buffalo and beefalo that weighed less than 500 pounds on the beginning date of the eligible adverse weather or eligible loss condition;

(5) Any wild free roaming livestock, including horses and deer;

(6) Livestock produced or maintained for reasons other than commercial use as part of a farming operation, including, but not limited to, livestock produced or maintained exclusively for recreational purposes, such as:

(i) Roping,

(ii) Hunting,
